
Vulnerabilities Bangladesh Cyclone Disaster Adaptation Options

disaster: how the red cross red crescent reduces risk - disaster: how the red cross red crescent reduces risk 1 a few countries around the world, more often than most but without too much injustice, are said to contain the best risk **gender and disasters - undp** - "both women and men are part of the same society, which, as we know, does not mean we have the same rights, education and options to manage, neither in 'normal' times, nor when a disaster strikes."
